As can be seen many of the Crook County Maintained roads are direct access to BLM or other BLM/Forest Service roads. We blade these roads twice a year and have many expenses such as cattle guard maintenance signing, culvert maintenance, wash outs, and plowing. We have ongoing maintenance issues on these roads. But with the loss of our STS funding they are in danger of not having the same level of care. Any help that the County can get to keep these roads in good repair will be appreciated

If you have any questions please feel free to give me a call at 541-447-4644 or 541-480-1365.
